“Built with a clear purpose, to race and win”

# THE TEAM

PRO-AM Racing was formed in 2018 as a professional outfit entering Club Racing. The team has competed in the MSVT Trackday Championship for 3 seasons; 2021 seeing them crowned runners up in Class C.

Why race with PRO-AM Racing? Choosing us comes with multiple benefits:

- Proven winning machinery; with a brace of Race Wins, Pole Positions & Fastest Laps
- An abundance of set-up , race strategy, and track knowledge.
- Driver coaching via vehicle data logging, on board recording, and post session analysis
- Custom heated race van with integral office & catering facilities. Full branded awnings.
- Promotion across, and access to, our growing social media platforms

Our team have years of experience in the Motorsport/Auto industries, with previous employers such as:

- Mercedes AMG Formula One Team
- McLaren GT
- CRS Racing
- Holset/Cummins Turbochargers
- BMW Ltd
- Jaguar Land Rover

Race team founders:  
Scott Thompson and Ben Johansson

“Bringing a new level of professionalism to amateur racing”
