WELCOME

ABOUT PRO-AM RACING

- ⦿ We are an ambitious motorsport team who are making waves in UK Motorsport.
- ⦿ Founded in 2019, our mission was clear: elevate the standards of club-level motorsport by delivering a professional experience. This commitment remains unwavering, but our ambitions have evolved beyond the initial goal.
- ⦿ We are highly competitive, with wins, podiums and fastest laps in every category we have competed in and have plans to climb the UK motorsport ladder.

Become part of a winning team

RECIPE FOR SUCCESS

- ⦿ Our team comprises of individuals who have years of experience within Formula 1, GT Racing and vehicle design.
- ⦿ It's our collective **experience** and **passion** that makes us a winning team.
- ⦿ We are **dedicated** to delivering **unforgettable** experiences for our clients.

THE SUPPORT

WHY RACE WITH PRO-AM RACING?

Choosing us comes with multiple benefits:

- Proven **winning machinery** and winning team; 2023 **most successful team** with 4 podiums and 3 fastest laps.
- An abundance of set-up, race strategy, and **track knowledge**. Inc. data station with **custom strategy software**.
- Driver coaching** via vehicle data logging, on board recording, and post session analysis.
- Custom heated race van with integral office & catering facilities. Refreshments for participants included.
- Promotion across, and access to, our growing **social media platforms**; with photography packages available.

2023

Our team has built up a strong reputation for guaranteeing high standards in everything that we do.

THE CHALLENGE

ABOUT THE SERIES

- ⦿ Ultimate team endurance racing; Teams of 2 to 6 drivers.
- ⦿ Race durations ranging from 5 hours to 12 hours, with grids formed from a 60 minute qualifying session.
- ⦿ Single make series, using the MK1 1300cc Ford KA, with controlled components to give everyone an equal chance to win.
- ⦿ Refueling and driver changes completed as fast as possible.
